Subj: Scheduling Item

25X1

1. Further to our conversation this noon, we have scheduled a lunch with Ambassador Watson at 1200, 26 Sep (Wed.). I'll ask  to outline some talking points for your possible use and he will be standing by so if you need him during your lunch, he can come in and discuss

2. We were planning to take the Amb. out to see the pick-up at the contractor's on Friday, the 28th. However, rather than bring the Amb. over here twice within the same week, SE Division now plans to take him out on Wednesday aft., after your lunch. I've asked  to try and keep your schedule free so if you want to go along, you can. Right now you're free from 1330 to 1600 (when you leave to meet Zbig). SE plans to take the Amb. over to see the pick-up at 1330.
